

Thank you for your passion to help prevent trafficking for the world's most vulnerable children by requesting your Human Trafficking Prevention Kit. God bless you for taking action on what you have heard.

My message is simple: God's love compels us to rescue the needy from the hand of the wicked in Psalm 82:4, and to share Christ as we do. If we learn and share the signs of human trafficking, speak up for those enslaved, and help to fund their restoration, we will make our communities inhospitable to human trafficking.

In this kit you will find **Indicators of Trafficking** and a video from the Department of Homeland Security. We have also included **10 Tips to Safety**, a **Hotline for Help** and an opportunity for you, your friends, church and family to get those same items to at-risk children along with important supplies. I hope you will consider hosting a "Prevention Service Day".

I have also included a prayer card that invites you to not only pray, but to sponsor and support the safety and freedom of one child.

Whatever you choose to do, I am grateful that you have gone beyond becoming aware to **taking action**.

I would be glad to come and share more about Human Trafficking Prevention or help your abolitionist efforts in any way. Simply email me at info@SheIsSafe.
